I talked to Clint earlier this morning. He said he would get with the county clerk, who was asking him about it, and they will call the SOS to be sure they get on the SOS list for mobile deployment.

Sounds like a good plan to me. Once we are set up to hit the trail, we will coordinate with Clint.

Maybe we could dispatch a Mobile Team when they are ready. We will need the Sheriff or County Elections Administrator to set everything up so we could come in and spend 1-2 days and then move on to the next location.

Clint, Duke will follow up with you on this to ensure Terrell County is not overlooked. Thanks, Steve

Steve,
Quick question, not sure if Joe will handle this through DL or not but for the people here in Terrell County, will there be a time and or place here for people to go who do not have a DL to get a photo ID to vote. Our nearest DL office is in Ft. Stockton 64 miles away.
See you soon in San Diego
Thanks for all you do!
God Bless
Clint
